### The Lady:

absolutely stunning, much prettier in person, even though her photos are superb. Early 20s, Eastern European, with brilliant English. Petite, with toned and lithe body. Tasteful, artful tattoo. Blonde hair in very attractive bun. Friendly, playful with great sense of humour, very easy to talk with and puts you at ease immediately.

### The Story:

incredibly sensual and erotic from start to finish. She knows when to give and take control. Gives you undivided attention and takes real pleasure in your pleasure. Natural flow to lovemaking with focus on mutual fun and appreciation. An absolute delight to spend time with and I would be honoured to be with her again. Simply beautiful in physique, mind and soul and knows how to give you the best time in many a year. What can I say only that yet again, Anabellas provides the best, intense, erotic experiences with the most beautiful young girls, who genuinely enjoy being with you.
