The Premises:

Visited Kirsty at House of Divine Location 2. Nice location, nothing special to report. Was led to the bedroom after talking with the madam/scheduling lady. I had booked for 45 minutes, but apparently they had overbooked, so I only got 30 minutes. However, this was only a small hiccup. I visited House of Divine around 6 times during my 2 weeks in London, and this is my only complaint. Seems like House of Divine is one of the best agencies in London and you probably can't go wrong.

The Lady:

God damn this woman is a stunner. Basically I was visiting House of Divine and I saw this woman and I thought "damn, I need to see her." And the way she looks at you... Jesus those penetrating eyes. What an amazing woman and an amazing talent in this industry. So beautiful, you must see her!

The Story:

This woman gave me the best blowjob I have ever received in my whole life. God damn, the way she laid her hot body out and looked at me while blowing me and her technique!, my god I could have died then. Passionate sex, she is fucking great. I wanted to go see her again and I even made a reservation to see her, but when I called in to confirm, she wasn't available. :(Maybe in another lifetime.
