The Lady:

Jasmine is an attractive, sexy lady of mixed Egyptian / Bulgarian descent fantastic back side and big boobs Jasmine is seriously a little bombshell. She is petite with the right amount of curves The photos on the website are accurate

The Story:

She has the perfect balance of coy GFE but also full-on sexiness. She gives amazing OWO, with clever use of the chair and mirror to make the experience even more appealing, and for me I cant resist taking her doggy standing first and then with her ass up in the air on the floor holding her hand on her back she likes bit domination mild of course She is so sexy, sassy and sweet - the perfect punt.
