The Premises:

Ten minutes walk from Woodside Park on Northern Line. Clean flat with good shower facilities.

The Lady:

The photos are a good likeness. A firm body. Strong but not a body builder but clearly she does resistance training. Very sexy Hungarian accent.

The Story:

We wrestled on her bed. She is fit and strong and I had no escape from a succession of holds. She then massaged my back and legs before a lingam massage which brought me to climax.

GFE was not on the menu or given. No kissing and she kept her breasts and pussy covered
