The Premises:

A nice terraced house in a leafy, residential part of South Croydon. Very clean, tidy and comfortable with a good bathroom and shower available. Getting there is easy by bus and on-street parking is available nearby for a fee. The premises is a 10-15 minute walk from South Croydon railway station. It should be noted that the entrance is not particularly discrete and I suspect it will only be a matter of time before the neighbours clock what is going on.

The Lady:

Jullya is a very attractive blonde Romanian girl, aged 22, around 5'6" with natural C cup breasts and a lovely smooth body perfect for caressing. Her English is very limited and she is fairly new to escorting.

The Story:

I was feeling rather horny and fancied trying somewhere new in Croydon. This premises has only recently opened so I decided to give it a go. I phoned Jullya and, as she promised, she texted her postcode. I called again when I arrived in the street and she gave me her full address. On arrival the maid let me in and sent me upstairs to the bedroom where Jullya was waiting.

I was immediately struck by how good looking Jullya is. After completing the financial formalities for a 30 minute visit, I freshened up in the bathroom while Jullya gave the money to the maid. Julyaa was already undressing when I returned and we both got naked very quickly. We started off caressing each others bodies although I was the one doing most of the caressing as Jullya seemed to quickly lose interest. She was happy for me to lightly finger her lovely shaven pussy and to run my hands around her body although it was very disappointing that she wasn't more engaged. She told me that she doesn't kiss on the lips or offer anal, OWO or GFE despite these things being advertised on her web page.

Jullya then put the condom on and gave me oral although it was way too hard and fast for my liking. After that, we had sex in the missionary position followed by doggy style on the edge of the bed although this was rather uncomfortable as the bed was not at an ideal height for this. With my time coming to an end, I removed the condom so that Jullya could finish me off by hand which, like the earlier blow job, resulted in my cock being jerked far too aggressively for my liking. So I took her hand and showed her how to do it properly which improved her performance and I duly climaxed

after which I showered and left to get the bus home.

The premises and Jullya's physical appearance would both justify a positive recommendation although I've opted for a neutral recommendation as Jullya's current performance in the bedroom, whilst not bad for the price paid, certainly has room for improvement.
