The Premises:

Very quiet and easy to park since it was Sunday. Premises and room a bit small but perfectly clean.

The Lady:

Ruby - reddish brown hair, open smily face and attractive girl next-door look. Medium height, not skinny or plump. Enhanced breasts but nicely done.

Ella - Exotic, Spanish with dyed blonde hair. Medium-height, curvy but not fat, natural medium-sized breasts.

The Story:

I had already seen both of these girls before so when I heard that they do a double act I knew it would be worth experiencing. They are both outgoing and get on well with each other which makes for a fun atmosphere. They are an interactive duo and started off with Ella licking Ruby's pussy till she came loudly. Then Ella gave me a vigorous blow-job whilst stroking my balls while Ruby sucked my nipples. Then they switched and I soon came in Ruby's mouth while Ella talked dirty in my ear. Definitely a memorable experience and I don't see how you could go wrong with these two.
