The Premises:

Had difficulty finding the premises as Google maps takes you to the wrong end of the street, but once given directions found it easily. Entrance is through a set of iron gates. Inside the room I was given could have done with a lick of paint and general redecorating but otherwise was clean and tidy.

Plenty of on street parking, both free (with time restrictions) and Pay & Display available. The St Pauls stop on the Midland Metro is less than 10 minutes walk away for those coming by public transport.

The Lady:

Blonde with large boobs, some tattoos which are not shown in her photos on the website.

The Story:

Started with the obligatory massage followed with O without, reverse O and with me coming whilst fucking her doggy style.
