The Premises:

Ground floor flat near CMK. Clean and tidy, parking on the street nearby.

The Lady:

Nice Japanese chick in her early 20's. Nice to look at, gym fit body, trimmed pussy.

The Story:

Returning to play after a long lay-off so i was looking forward to the frisson of excitement that I get visiting a working girl.

I am familiar with this establishment but still got that buzz parking up and walking to the flat.

I was greeted at the door by the girl herself who was dressed in a tee shirt and tight shorts, very nice bum,

dealt with the paperwork and down to business.

I spent a while licking her tasty pussy and flicking her clit before covering up and entering her.

I got in deep and laid heavily on her and banged her hard while looking into her eyes.

Cleaned myself up as I was in a bit of a hurry and left. Very satisfactory
