The Premises:

Clean and tidy place - very quiet and easy to park locally. There was a bit of work in the adjacent car park so workmen seemed to know what was going on and smirking.

The Lady:

Oh where do we start - `Poppy is lovely, ample breasts, great figure, lovely manner and quite honestly really warm and welcoming.

I have been looking to see Poppy for quite a while and for once the freedom I had and her working joined - the stars were aligned...

The Story:

I laid my weary body down and allowed the warm oily hands of Poppy to slide and glide across my body. after about 20 mins of lovely massage I turned over and the rest was just awesome, i really enjoyed the mutual attention and when Poppy mounted me in a way and started massaging my very sensitive member that it looked like I was being ridden to a climax. It was a beautiful sight and a wonderful moment!

I could not recommend Poppy enough!

I'll be rebooking soon! Thanks Poppy!
