The Premises:

Decent enough place next to Warren St Station which for me is very convenient and is also walking distance of Euston and King's Cross stations.

The Lady:

The photos are accurate albeit Francesca looks slightly older in person - I would say perhaps mid-30s. Bit very attractive, coffee coloured Brazilian brunette. Good body and fantastic pair of tits.

The Story:

I had a very nice time, started off with some french kissing and I moved down to feast on her breasts. I then lied down to let Francesca work her magic. Before the punt in my mind I was planning to have some oral before moving onto sex but Francesca's blow job was so good I just couldn't tear myself away and that's how I finished. Bit of a blur now with it being a late report but seem to recall good eye contact, varying speeds, her going deep and giving my balls some attention. So good in fact that I finished way before the allotted 30 mins and Francesca was good enough to give me a prolonged massage for the rest of the session.

Overall, I recommend very highly.
