The Premises:

Decent enough place next to Warren St Station which for me is very convenient and is also walking distance of Euston and King's Cross stations.

The Lady:

I phoned fairly late on and it was a busy day but managed to get a slot in for Valentina who I hadn't previously noticed on their website. She is a tall girl and I would say size 12 albeit she isn't fat which many girls of that stature are and guess statuesque would be an apt description. Looks wise, I'd say fairly attractive but not really my type. She just had her boobs done which has some tape on - she said it was okay to touch but only did so tentatively as a result.

The Story:

It had been a hot day and I was just in the mood for some pampering. Again, this FR is about a month old so is a bit of a blur but only had a blow job which was good though preferred Francesca's performance a couple of days' earlier. Again, I came with some time spare and Valentina was in no rush to get me out and enjoyed some post-coital lingering and some pleasant chat.
