The Premises:

Executive Suite is apparently under new management and is a much nicer place to visit than in previous years. The receptionist is pleasant and helpful. The room is large and clean and well-appointed, with a good shower (that works)!

The Lady:

New to Executive Suite, Nikita is a buxom lady from Columbia. Claiming to be 25, I would say she is somewhat older. She was described as "versatile, who kisses and cuddles"; but the permitted kisses were only pecks and "A" was not on the menu. She said she previously worked in Manchester.

The Story:

Nikita is a large lady with a large personality. I liked her, and we had a good time with "O-without" (for a tenner), a bit of vibrator fun and missionary sex. Afterwards we chatted and I found her quite charming. The dreaded knock came after 23 minutes, but I still got my full 30 minutes with Nikita.
