### The Story:

This was my first time seeing Leah. I was on time, and she was waiting in the room for me. I was taken by surprise a little, she was much prettier than I had hoped, nicely tanned and slim. Result. Started off with very nice massage, with lots of chatting. I found Leah very comfortable to be with, and she comes across as very honest.

Excellent CIM, including ball sucking, which was first time for me...hahaha

Recovery break included more chatting, with body stroking...Then on to mish and cowgirl.

Time overrun slightly, but Leah let me carry on ... cheers honey.

I could say more, but other details are for me to keep...

Definitely want to see Leah again.
