### The Premises:

Very safe flat near the centre of Maidenhead. Parking was easy in the nearby surrounding streets. Entrance to the place was simple and I felt very safe. The flat is modern, very clean and a really nice place. The bathroom was spotless and everything worked.

### The Lady:

Both girls are gorgeous. Rachel is quite tall, blonde with an amazing figure. Her boobs are huge, natural and wonderful to play with. Suzy isn't quite as tall also blonde and has a lovely figure with gorgeous boobs that aren't quite as large but still more than enough to play with. They are the friendliest escorts I have ever met. The session felt like getting together with friends I'd not seen for a while, with some kinky fun as a bonus. Both girls are English so there were no language problems and they are both wonderfully keen and eager to please.

### The Story:

I like domination with body worship and also asked if they'd play with each other and they were very happy to oblige. I was in heaven!

I was then taken back into the bedroom where I pleased one girl orally whilst the other fucked my arse first with ice and then with a dildo. It was an amazing sensation.

I then pleased the other girl whilst I was spanked and whipped. The girls then pleased each other which was amazing to witness. I was forced to stand next to the bed watching them whilst wanking my cock. I was then made to cum over their breasts whilst being humiliated about the size of my cock

I definitely felt they both enjoyed the session and love what they do. There was no clock watching and I was offered a shower and refreshment afterwards. It was the best escort experience I've ever had and I'm already planning on going back.
