The Premises:

Nice apartment in Imperial Wharf. Clean and well kept. There was another girl working from the apartment but I didn't see or hear her at all during my visit.

The Lady:

Laura is fantastic. Hungarian, but with very good English. She is around 5'6", red hair and tattoos. She looks exactly like her photos with an amazing body. I just couldn't keep my hands off her!

The Story:

This was my second visit to Laura. On both occasions I was offered a shower and a glass of water. Laura is such a friendly, funny girl and puts you at ease almost straight away. After dealing with the paperwork and a shower, Laura gave a very sensual massage. This was followed OWO which was just perfect. How I didn't finish there and then I'll never know! On with the rubber and the opportunity to explore her fine body in as many positions as you can imagine. All in all, it was the most passionate GFE I have ever had. Laura is very accommodating and eager to please. She has become very addictive and will be visiting many times!
