The Premises:

Private, modern apartment (in the Clarence Dock district (next to Royal Armouries Museum)) near Leeds city centre.

The Lady:

Busty slim Southern English blonde in her mid-30's with superb huge 'double F' tits and long shapely legs.

Maria is a very tasty lass of Italian extraction.
She wore a tartan mini-skirt and fishnet stockings with high heels.

The photos on her website (<http://www.mariagucciescort.co.uk/>) accurately reflects what she looks like.

The Story:

Maria was recommended to me by a friend.
Kissed as I walked through the door (after I arrived) then I went for a quick shower ...
... (it was a very hot sunny afternoon).
We continued with some kissing (with tongues) when I joined Maria on the bed.

She is aged about 35 ...
... with superb tits (fabulous big 'double F's') & shoulder length blonde hair.

I enjoyed running my hands up and down her legs as we snogged, then I licked her erect nipples before working my way down to the tops of her thighs.
She was quite happy for me to perform reverse oral on her.
Maria got quite wet as I licked & kissed her labia + clit.

On with the condom then I slid inside her juicy fanny.
We had sex initially in cowgirl as her fabulous tits bounced up and down in front of my face.

Maria kisses like an angel ...
... so if a passionate GFE is your thing ...
... she is well worth seeing for this alone.

It being a warm August afternoon ... we both got quite hot as we shagged ...
... then I eventually came with pleasure inside this tasty blonde.

Maria is a natural lass who enjoys sex.
Her mixed Italian / English heritage merely adds to her passion.

Excellent ... well worth several repeat visits.
