The Premises:

This location was the same one where I saw Shanel at the beginning of June. A very modern and discreet flat in the Royal Arsenal Dockyard development. This is only a short walk from Woolwich Arsenal station.

The Lady:

A young Romanian girl with dyed blonde hair which still showed her dark roots. She had a nice figure, but it was evident she'd given birth at some point.

The Story:

When I was directed to this address, I thought back to Shanel who had a lovely body. When I entered the flat I was ushered upstairs and upon entering the bedroom I was greeted by 3 girls, plus the girl who let me in, Maria. The girl I thought I'd phoned was Bianka who looked lovely, but wasn't amongst the girls lined up. I chose Maria, but it wasn't like she was the standout girl.

The session wasn't bad. It started with uncovered oral and progressed to sex in doggy position. The one good thing was Maria being friendly.
