### The Premises:

Location well known - the door buzzed open immediately, and the lift being out of order, it was left to me to guess (correctly) which floor the flat was on. "Wonderland" (hey, after all I was visiting Alice!!) was equipped with a bed that didn't squeak, and a sofa (I sometimes like to start on the sofa.) AND decorated, as a brothel should be, but so few are, with soft porn artwork. A shower was offered. Only negative - water was the only drink on offer!

### The Lady:

Alice is the girl next door, only very much prettier, and much naughtier - blonde, dazzling blue eyes, the most kissable mouth, and her very own very touchable and suckable breasts. Nice touchable cuddly figure - silky skin. She presented herself in an exciting short flame coloured robe which allowed (?encouraged) an initial exploration and sample before she slipped out and returned for the fun to start.

### The Story:

Whether Alice knows the word "NO" I have no idea - it certainly did not come up in our delicious GFE session. Cuddling Alice, kissing, and more deep wet kissing, groping and being skillfully groped, and talking, gently led me to a climatic "main dish" after which there was no swift jumping up and away, but we lay comfortably together talking and kissing, while Alice's skillful hands continued to give me pleasure. I don't flatter myself that Alice enjoys my elderly lust, but what is very delightfully clear is that she genuinely enjoys giving pleasure. I will very certainly try to find good reason to be back in London on a Wednesday.
