The Lady:

The pictures show a sexy, sultry natural beauty. Which is exactly what Foxy is. What they don't show is her warm friendly big smile. Foxy is physically warm, and emotionally empathatic. She has the grace of a dancer, and the dynamism and drive of a wondrr woman.

The Story:

Ok, well it's obvious from my description that I enjoyed my time with Foxy.

The very best sex workers are able to sense their clients physical needs

Either doen to exprrience or some natural talent. Foxy is amongst the very best.

We kissed and cuddled standing, oh and what a joy to stroke her bum. The clothes came off and more joy. To the bed, body rubbing, oral and cow girl

After my climax, Foxy still clung on, I love that.

A chat as she held my hand afterwwrds. Sport, dance, exercise, yoga, and food were today's topics.

I like you a lot Foxy, your energy is inspiring.
