The Lady:

Beautiful girl, tall, very shapely, probably put some weight on since her pictures. Lovely hourglass shape - plenty of T&A.

The Story:

Vanessa was right on time, heels and some hot red/black (?) underwear, which came right off. She started with excellent DFK for a couple of minutes, then went straight to the balls and excellent OWO. I had to warn her that the session was going to end really early if she continued, so it was on with the condom and cowgirl, followed by doggie. A few minutes is all I could manage before I was finished, to give this sexy girl credit it is very seldom that I end so early - she really did do it for me! Ended with a good chat. Nice girl, good suck, good shag - I will be back for more.
