The Premises:

The place is OK, just a small basic flat in Birmingham centre

The Lady:

She looks better and sexier in the photos, but still good looking in person.

Heavily scarred boobs from recent breast surgery.

The Story:

Alysha has a lovely website which gives you high expectations about the visit.

This is no GFE, the girl belongs in a massage parlour! Forgive me, you get far better service from some of the girls in the parlours.

No kissing, no reverse oral and no OWO. She however agreed for owo when I offered £20.

Just a few licks only, basically a hand job.

I left after about 20 minutes!
