The Premises:

One of Annabella's regular premises, this one being near Staples. Well decorated, clean etc. Friendly welcome and drink offered while waiting.

The Lady:

Michelle is a truly beautiful girl, slim, mid 20s, long glossy black hair and the most perfect creamy flawless skin. Photos on Annabellas website fully do her justice.

The Story:

When Michelle entered the room I was immediately stunned by just how incredibly beautiful she was, those Italian French genes shine through! Some photos of other girls may understandably have a slight degree of flattery but not in this case, she fully lived up to her gallery pictures. In addition she is the friendliest girl you could hope to meet and very sweet natured also. Within a couple of minutes I felt fully at ease with her and she clearly enjoys her job, being very keen to establish any requests I might have.

Without going into too much detail about the session, I'll just say Michelle gives it absolutely everything, her DFK is full on and passionate, and she excels at velvet-smooth deep throating as many reviewers have testified. For anyone interested, she has an incredibly long tongue and was very happy to make full use of it in a number of ways [she really ought to show it off in a profile shot in my humble opinion as it will certainly turn on a lot of guys who are so inclined]. She also has perfect, very responsive nipples that she loves to have licked, chewed and kissed. Down below is perfection too, very sweet tasting, responsive and nicely wet of course.

Having seen a number of girls over the years, this is the first time I absolutely know without any question that I will be back for seconds (and thirds after that etc....). Says it all really.

Thank you Michelle, you're quite something!
