The Premises:

White building with discrete entrance in public car park.

The Lady:

I found Yasmin to be aged around mid twenties with long black hair, beautiful and with curves in all the right places!

I bet she played Snow White in the school play!

The Story:

A slow and light massage with oil all over.

Yasmin is a little bit quiet so not much chatting - fine with me though!

After a while she got on the table and brushed her lovely boobs over me.

Occasional teasing of the balls to remind me of things to come.

On turning over she handled the little man like her favourite toy - but then I had to go and gaze into her beautiful face and look into her smouldering eyes..... and oops!

After that a nice warm shower!
