The Story:

Waited for girls to show themselves and chose Amina/Ameera? As she was the sexiest. Got ready and waited for her! She came in smile, saw me on the bed with a huge stiffy, said wow what a treat and dived on me for a very sexy hug n kiss! She was incredible, all over me like a rash and so so sexy! She then took her clothes off and got on top of me again for the sexiest of hugs. She was amazing and made me feel like the only person on the planet. She started owo which I had to keep stopping in case the fun ended early! Finished shooting over her incredible body. Treat her gently she's a real find and only here for three months
