The Lady:

40 years old but with the body and face of a much younger lady. Fantastically fit and gorgeous. Absolute MILF.

The Story:

Vanessa came to my London hotel after some very straightforward communications via Adultwork and her mobile number. She was dressed very conservatively so as not to draw attention to herself but her beauty was obvious. We had a lovely chat and she was so easy to talk to with a very interesting background. When it was time for some action to start she changed in the bathroom and appeared in some gorgeous lingerie which showed off her amazing body. She is so so sexy that an instant arousal was inevitable. Her kissing is sensational and as good as a GFE gets. I don't want to go into too much detail but her oral skills are superb and ended in the obvious first pop. After cleaning up in the bathroom she returned to lie down and cuddle together and talk about all sorts of interesting things? Round two was with her on top with lots of kissing and yet again the inevitable conclusion was achieved. It was great to meet Vanessa and if you are a fan of the MILF/GFE experience then it doesn't get much better than this. Lovely lovely lady.
