### The Premises:

La Maison, outskirts of Bury town centre, semi industrial area, lot of parking, not too busy. The parlour has a nice relaxed vibe, big, open reception never too busy in my experience, large rooms with nice big beds.

Showers aren't great but the water's hot & the towels are clean.

A free mini drinks fridge in reception like GFE has would be welcome.

### The Lady:

Michelle is 5' 1", early 20s, she has blonde hair on her profile pic, but is now a brunette with a short, wavy, bob style haircut.

She has a kinda emo/suicide girl type look, innocent looking (but she ain't!) little or no make up, glasses, natural, pale, english rose type skin tone, lovely, shy/naughty smile & a fabulous, curvy (not fat or chubby at all, size 10) body, a gorgeous pair of natural 34 E cup boobs & a beautiful, full, round, soft to the touch, booty.

Although her labia & clit area is clean shaven she has a nice, neatly trimmed bush (like Dani Daniels or Valentina Nappi in porn), I found it a turn on, a nice change. Her pussy is lovely, neat & very eatable & during my half hour, very wet!

Personality wise, Michelle is pretty quiet but not in a moody/awkward way, in fact she's engaging & responsive with that lovely shy smile.

Non of the usual WG small talk of "babes" & "hunny" & the like.

The lack of routine small talk and the fact there was no distracting music being piped into the room really added to the session & really turned me on more. It didn't feel like a routine punt at all.

### The Story:

After being reacquainted with one of La Maison's ropey showers, I dried off as Michelle took off her tight black leather mini dress, so she was left in just a black bra & thong that contrasted nicely with her natural, pale skin.

She looked very fuckable.

Freshly dry I sat on the edge of the bed as she slipped her bra off to reveal her beautiful, big, soft,

natural 34 Es.

Oh my!

I beckoned her to me & we naturally wrapped our arms around each other & basically snogged the faces off each other.

Full, sensual, sexy DFK that continued the entire punt.

Heaven! True GFE (well the idealised version anyway).

After she'd slipped her thong off & i'd lapped at her from behind & buried my face in her lovely, soft arse cheeks, we continued the kissing until I reluctantly pulled myself away from her & asked her if she was gonna suck my cock (by now i was throbbing & she'd barely touched it!), a naughty shy smile from her & a "yes".

She took about a third of it in her mouth, quite a gentle style, I asked if she did deep throat, without replying & with no hesitation whatsoever she rooted me & swallowed the lot to the hilt, even allowing me to hold her there for a few seconds as well.

At full stretch, which I virtually was, I'm around 7 & a half inches long & she took the lot several times & held it for a few seconds, no feel of teeth at the base either!

It made her cough & gag briefly & her eyes water but still....

Most impressive DT i've ever had, even better than Adelle at Infinity & Amber at Sandy's.

By now I was rigidly hard & between kissing her told her I had to fuck her, she smiled & hurried to get the rubber making her big tits & booty jiggle in the process & in turn made me harder if that was possible.

I kissed her neck & fondled her boobs as she unwrapped the joey, admiring the view in the mirror, she closed her eyes and looked lovely & feminine.

Onto the bed, we started with mish she spread wide & I fucked her hard & fast making the bed loudly creak & rock.

I played with her clit as we fucked as she fondled her boobs, a lot of DFK as well (shes a fantastic, responsive kisser),

I went down on her, running my tongue all over her vagina & stuck my tongue followed by a couple of fingers deep into her wet pussy, then back to mish and more of as before.

Paradise.

With her having a truly fine fleshy arse I wanted her in the doggy position so we moved into that & as expected it was great.

Head down, booty up!

Her arse flesh rippled satisfyingly as she moaned.

Had to go easy to stop myself cumming.

I was gonna enjoy every last second of this one!

I again ate her out from behind, taking in the glorious view of her now open & glistening pussy before finger fucking her (not too rough) & then burying my face between her buttocks as she bounced her ample arse on my face at my request.

She flipped back over & we resumed the kissing, she was really into it now & wrapped her arms & legs around me, I easily slid back inside her for some more mish giving her a little pounding & making her boobs ripple up & down.

Reluctantly I checked my watch (she seemed completely unconcerned with the time, absolutely not a clock watcher)

there was around 6/7 minutes left & I wanted to cum in her mouth, so after pulling out & spending a couple of the minutes snogging & fondling each other, the rubber came off & she deep throat me again & gave me a wonderful if brief tit wank (soft as silk!), she then lay back on the bed as I knelt next to her and masturbated.

I asked her if I could cum on her tits & if she could then lick it off and swallow it, she replied with another super sexy, naughty shy smile & a "Yes"

Whatta girl!!

She licked her nipples (I joined her, couldn't resist) & jiggled her boobs up & down at my request before I shot a healthy load over her tits ( & shoulder, must improve my aim!) & she licked it up and swallowed, giving my still hard dick a post pop sucking as well.

I leant down for one last sensual fk with tongue, no taste of semen, she'd swallowed the lot.

Wow!!

I was a sweat soaked, rubber legged, tanked mess at the end, as I got in the shower I was 2

minutes over time, no knock at the door and no mention of time from Michelle.

Most importantly I was completely satisfied & content.

Even the cute, brunette receptionist informing me we'd (she's a Red as well) lost the derby 1-2 couldn't remove the happy smile from my face.

Michelle is a lovely, gentle, sweetheart of a girl with a real horny, naughty side in the bedroom, hygienic as well, she showered afterwards.

Obviously one of the greatest punts i've ever had, I couldn't have asked for more from her.

The kiss & sweet smile goodbye from her at the end was the cherry on top.

Highly recommended but treat her well.
