The Premises:

Nondescript unit on an industrial estate. Quiet (well it was a Sunday) and discreet. Was buzzed in and on entering, found myself in a cosy lounge with pleasantly dimmed lighting.

The Lady:

Absolutely as shown in her photos - tall, slim and leggy, with long silky black hair and a stunning smile. Claims to be 40 but honestly, you wouldn't know it. Looks much younger.

The Story:

On entering I met two ladies, Dani and another lady (sorry dear I've forgotten your name now). I'd decided to go for the 30 mins full GFE and on learning this was my first visit, Dani kindly explained what that would involve. I was a little disappointed to discover that Dani doesn't do DFK, as this is a really strong turn-on for me. I was told that the other lady did offer this, but I'd already picked Dani from the website, and besides when she demonstrated her kissing technique, I was beginning to get hard anyway. So reluctantly sent the other lady away (perhaps next time!).

Dani wasted no time in getting us both stripped off and onto the bed for some skilful foreplay. I'd already explained that as I'm no longer in the first flush of youth, getting hard was sometimes a problem. Let's just say, it wasn't on this occasion! The kissing, cuddling and caressing, plus lots of teasing (Dani has a delightfully wicked sense of humour) were absolutely fantastic and the sex that followed out of this world.

I therefore give Dani full marks, and can guarantee her a return visit soon. If you don't give her ten out of ten too ... then you ain't human!
