The Premises:

The usual block of flats, maybe not as swanky as their other places around CMK but still fine

The Lady:

Very beautiful girl, tall, beautiful skin and pretty face, but her most outstanding feature is her absolutely amazing breasts...really wow!

The Story:

After every punters favourite sex game of playing hide and seek in the bathroom I was taken to the opposite flat by the maid and waited for Angel to arrive. When Angel came in I was very please with my choice. She asked what i was wanting to do and I told her that i wanted some T&T and some mild Dom...something I haven't had before...

She sat on the bed and commanded that I underdress...which i quickly need and I could feel myself getting hard.. I stood naked in front of her and she complimented my quickly growing cock. She told me to lie on the bed where she climbed on top and pinned me with her legs. She removed her bra revealing maybe the most perfect natural breasts I have ever seen! From her here she proceeded to tease me, urging me to lick her nipples while keeping them just out of reach, some smacks to my leg and cock and biting my nipples (hard) when I whimpered in pain she told me to be quiet and did it again to punish me.

She removed her panties and after squeezing my head between her thighs held her beautiful little pussy just in front of my face and laughed at my attempts to lick her.

She then slide down my body, on with the condom and took my cock inside her vagina and began to ride me hard. Unfortunatly the preceding events had got me more excited than I expected so I didn't last that long...I was disappointed in my self as watching this goddess fuck me was an amazing sight! She told me I was naughty for coming...sorry mistress...

Quick chat and shower then on my way. Would like to see Angel again maybe for a more 'vanilla' experience next time
