The Premises:

Flat in Guildford's town centre - easy to find once you know, but not obvious. Spotless, nice bathroom with all the soaps you want, and the bedroom air conditioned, which was nice today. This lovely lady has previously been favourably reported on at the same set-up's det res some considerable way out of Woking. The Guildford flat, which she lights up on Wednesdays, is much more convenient.

The Lady:

Amber is, to be blunt, a real STAR! She is anglo-english, but nicely tanned. AS to age, one doesn't ask a lady, but I think I'd say she's late 20s; no more. She is about 5' 6", with dark hair and flashing eyes. She is quite simply one of the prettiest girls I've ever seen in bed or out, and when the "little blue dress" came off she had a body to die for, and it is all her own. So touchable, and so kissable.

The Story:

Amber is that real paradox, the virgin whore, or the really genuinely nice girl, who is hell's sexy, and who does not go through a set act, but bends herself to her lover's needs as she did to mine today. And, as another has said, when she has brought her lover to his shuddering climax, she doesn't jump up and wipe for the next trick, but lies there in your arms, cuddling and fondling and chatting about life, lust, the world, and everything. What more can I say? Amber gave me everything that I asked for and more. I'll be back. Incidentally the "maid" who let me in was drop dead gorgeous too, although not quite up to Amber's standard.
