### The Story:

Claire came in the room we kissed and cuddle a bit before she dropped to her knees , and took my cock in her mouth sucking it wanking it licking it licking my shaven ball bag to (I liked it very much)We moved onto the bed where I started to eat her pussy , this she must of liked cos she was getting wetter than a otters pocket .We then fucked in missionary then her on top , she then finished me off with her hand and mouth .Claire is a nice girl to talk to no attitude and her head is where it should be not stuck up her arse .
