The Premises:

Hotel room near Wakefield town centre.

The Lady:

Slim Northern English redhead in her late-20's (about 5'6" tall).

Lovely grippable backside and shapely legs.

Likes sex in missionary and cowgirl (also enjoys some oral in 69 position).

The Story:

Scarlette Stacy is an attractive confident Yorkshirewoman aged about 28 with big sexy eyes and full kissable lips.

She was happy enough to kiss throughout the session (but unfortunately does not really have a proper snog (i.e. french kissing)).

Her hair is shoulder-length dyed red (I think she is really a brunette).

Her tits are a nice handful ('C' cup) which she informed me she is about to have surgically enhanced quite soon.

Scarlette Stacy is quite facially pretty and the sex was both vigorous and also pleasurable.

High point of the meeting for me was a cowgirl shag whilst gently kissing ... where we built-up an energetic grinding motion (as I held onto her buttocks & thighs) ...

... during which she got quite vocal.

Only minor criticism I had ... was that I felt as if she was in a bit of a rush ...

... to get me out of the door (as her next client was about to arrive (I only got 50 minutes and had booked for one hour)).

However ... that said though ... overall ... Scarlett Stacy was a nice lass ... and reasonably easy to chat and also have a laugh with.
