### The Premises:

Typically small apartment which is fit for the purpose. Clean apartment and facilities. Michelle's apartment is located in between Sloane Square and Pimlico tube stations. Though, I drove down there which was a big mistake in retrospect. For there was far too much traffic on route and it was a nightmare trying to find parking. Mainly residential parking bays nearby. There are various free and paid visitor parking available in between the residential bays on the side streets, though free only after 6 pm. But, these bays were already occupied when I arrived there (around 18:55). I ended up parking on a single yellow line on the main road close to some shops (about 150 yards from her apartment).

### The Lady:

A Hungarian lady in her 20's. Quite tall, 5'8 in height with long blonde hair (possibly extensions). Slim and toned body and quite a cute and pretty face to go with it. Dressed in a black dress similar to the dress in her first picture on Allure website (though not the dress that I requested from the agency, I requested for the white short dress). Her body, especially her legs, are the best features; Toned and curved in all the right places, one of the best that I have seen and having the pleasure of touching. The website pictures from Allure are a true reflection of the lady. Overall, a stunning young lady with an absolutely hot and toned body, one which I just can't get out of my mind.

### The Story:

I arrived about 15 minutes late, as I said above, finding car parking was a nightmare. I was introduced with a light kiss when I entered Michelle's apartment and my initial thoughts on her were "wow, what an absolute stunner", despite Michelle not wearing the dress I requested from the agency.

No need for a shower as I had one before setting out. I paid Michelle my money straight away and sat down onto her bed for a session of chat. Michelle originates from Hungary but is quite well versed in English. I couldn't resist but to not touch Michelle's beautiful body and putting my hand up her dress and feeling those lovely legs of hers, hoping to progress things straight away. I just felt that her chat went on for a little too long despite my signal for wanting to progress things. She did eventually ask me what I wanted, but this was only after about 20 minutes into my booking. I felt quite relieved when she did ask, since by that point I felt that her chat was never going to end and

that I would have to take some sort of drastic action. I requested to start off with kissing and cuddling and then move onto OWO / CIM and swallow.

Her kissing didn't feel as deep or as passionate as I have experienced with others before, but was a decent enough effort. We undressed each other and I tried to release Michelle's hair, which was tied in a pony tail. Michelle didn't want her hair untied and told me to leave it alone; This was quite a dampener. Michelle then moved down onto me to perform OWO. Again, a decent effort from Michelle and it was quite deep at times which I liked. But, unfortunately there was very little in the form of CIM and swallow (as requested from her, and as suggested as offering on Allure's website) with most of my contents spat back out onto me.

She went off to the toilet to clean herself up and then returned and cleaned me up with wet wipes, which was very nice.

We then spent time in bed chatting away during my recovery before offering herself again for a second round, luckily this time not too much time wasted on chatting away.

Second round started off with kissing before moving down on me again for OWO. This time I stopped her and requested to get on top of her for missionary sex. Michelle obliged happily and it wasn't long before I came again.

Unfortunately, and not surprisingly, time was up after this point. I refused to take a shower as I was concerned about my car, hoping that I didn't receive a parking ticket (luckily not). I left the apartment an hour on the dot.

Not a negative experience by any means, but not the most enthralling either. I feel that a little less chat, a little more passion from Michelle, and maybe an offering of a third round of sex would have put this review firmly in the positive for me (and a definite return visit).
