The Premises:

Clean basement flat in Pimlico. I was offered a shower on leaving which is a huge help when heading back into the real world, especially as it was such a warm day! Thank you Gemma and HOD.

The Lady:

Gemma is beautiful and friendly. Just great company.

The Story:

Gemma was wonderful from start to finish. A smile goes so far and her warm greeting filled me with happiness and excitement about the visit, banishing any lingering nerves. Gemma is physically stunning, and I was in heaven just looking at her as she got naked. Gemma gives gorgeous soft kisses, no tongues but I like it that way. She had a great touch too - making me tingle right from the start! Amazing blowjob, which Gemma asked would I like covered or uncovered. I loved Gemma's technique, combining lips and tongue with deeper motions. She continued with this really for as long as I could stand it, having politely made clear there was no CIM. We then moved on to some really sensual missionary and doggy, but Gemma is so tight I couldn't hold back for very long. After we finished she initiated an intimate cuddle. Gemma, you're a ray of sunlight and I wish you happiness in your future ventures.
