Gorgeous, blue eyed Scouse brunette with a great, sexy figure.
Lovely & friendly, easy to chat to, felt at ease with her immediately.

The Story:

I'd been wanting to see Freya for a while now and i'm really glad I finally got to see her because she was definitely worth the wait.

After having the customary shower, Freya came into the room looking very delectable in a revealing black , leather one piece.

Mmmmmm.

She has a fantastic body, slim & curvy with a lovely booty & a fine pair of boobs. 34 E cups.

Beautiful soft skin all over her body.

I sat on the edge of the bed & she sat on my knee & we indulged in some sensual kissing & caressing & some chat.

This is the ideal start to a punt for me, relaxed, intimate & tactile, needless to say I was soon fully hard.

She gave me some compliments, I tried to play it cool but inside I was chuffed.

Off came her outfit & my towel, she lay back on the bed, I really wanted to eat her out but my stubble was grazing her (& I was gonna shave that morning but didnae. D'oh! Next time.) She was sweet about it, back up I came & had to make do with kissing her & sucking her gorgeous big nipples.

Tough gig!!

She had barely touched my cock yet nevermind sucked it but I was fully hard & wanted to fuck her so on went the rubber.

We did mish, cowgirl & doggy (with some spanking) all really good before the condom was removed & I got my cock in her lovely mouth.

I was throbbing hard, no deep throat (about halfway) but she sucked my balls & spat on it at my request (sexy, girly spits, Mmmmmm luv it!) before I tapped it on her tongue & then sat up to hold

her face & kiss her, couldn't resist, it's her own fault for being too gorgeous!

Nice eye contact during the BJ, like I wrote before she has lovely big, blue eyes.

I wanted to cum on her tits before she licked it off & swallowed it, so I asked her to come up to me so I could kiss her whilst I wanked, when I was getting near I stood on the bed & she knelt before me playing with herself & me, before I climaxed on her soft breasts & she licked it up & swallowed, looking up sweetly at me each time she did so.

Wooooowwww!!

Perfect!

I dressed & she lay on the bed in her birthday suit looking very yummy (I could have gone round 2 there & then, no problem. Equally i could have just as easily lay there & kissed her all day. She's a very attractive, sexy woman.) & we had a chat about our lives. It felt very relaxed & comfortable.

I will definitely go back to see Freya again, for a longer session next time.

Great girl. =)
