The Premises:

Pretty awful flat up a lot of stairs in Earls Court. Easy enough to find, nowhere to park. Small bedroom, didn't feel clean or fresh. I didn't see the bathroom out of choice.

The Lady:

I saw her photos online and thought, slim young girl with over sized tits, what's not to like?

I didn't initially think I'd got the right girl as her hair had obviously been done for the photo shoot, and was now in need of further attention. But one glance down to her left nipple protruding through her dressing gown and I knew I was in the right place. The web profile says she has natural boobs, but these couldn't be less natural... in a good way. Paloma is slim and young with these firm pert large soft and delicious tits, created at the hand of a talented surgeon. A beautiful sight.

The Story:

We rapidly undressed. I only booked 30 minutes because I was expecting to be disappointed. However just the sight of this girl naked was worth the money. Flat tummy, long legs, firm arse..., and those huge tits.

She spoke little English, and was pretty amateur otherwise. Fairly average suck and fuck. But I did think that with a better premises, a better attitude and a little more skill, she could be an exceptional girl.
