Flat near Staples. Clean and tidy and fairly discreet. Plenty of cheap parking at 50p per hour.

The Lady:

Very much like photos on website. Lovely smooth skin and fairly tall and well built. I think the word is voluptuous. In my opinion gorgeous !

The Story:

This was my third visit to this lovely girl who I guess is around 30 yrs old. She speaks very good English as do all the girls at Annabellas. She has a very sexy accent and just the right amount of naughtiness about her. She is a great kisser - or at least she was with me as I suppose it's a personal thing.

I never go into too much detail as I think it demeans the experience and it may sound a bit old fashioned but although I know I am paying for sex I still respect and appreciate the girl as I am very grateful for her services.

Having said all this I will say that she seems to do all her listed services in an enthusiastic way and I had a great time. She also promised a service which there wasn't time for, for next time I see her, which I can't wait for.

To sum up a lovely, gorgeous beauty with a great personality and attitude who I would highly recommend.

See you soon Elise.
