### The Premises:

Conveniently next to the tube. Otherwise I have no particular recollection.

### The Lady:

Drum tight skinny pert-breasted and good looking blonde who certainly appears to be in her early 20s. Photos are accurate.

### The Story:

Friendly young lady with decent English, though it was clear that I was not perhaps her ideal type. Services somewhat limited and responses even more so but she can hardly be blamed for failing to be aroused by a balding middle aged man with a pot belly. Goes by a variety of names with a variety of agencies including but not limited to Illona, Sharon and Polly.

Certainly recommended for lovers of the taut blonde hard body type.
