The Story:

Had a spare time as I was heading to London for a meeting so decided to call Ego massage but Rosie was not available until 4pm and I prefer her to the others available so I decided to call MKESCourt and Sonia was available.

I have actually just read a review on her in twitter earlier today and I thought this is my lucky day. As soon as she walked into the room and sorted the financial services she got to work. Small talk but boy this egyptian Princess knows how to use her tongue. If you like BDS this is the lady for you. Smooth and slowly without any teeth scratching you.

We did that for a while and then doggy style. Oh dearthe sight of her arse as I am pumping and she is responding almost made me come but I wasn't done with her yet. I took the rubber off so she can do some more magic with her tongue. I came straightaway and she swallowed it all. I will see this lady again and again
