### The Premises:

I haven't been to Annabellas for 7 months and had not visited this apartment before, but normal standards re comfort, cleanliness and easy parking.

### The Lady:

If you want to know what Elise looks like, go to the Gallery and have a look. Long blonde hair, curves where they should be, as this is a punting review nice bum, boobs, and pussy, and a couple of other things i never normally mention; she has excellent bone structure, beautiful hands and fingernails. Finally, the cheekiest smile. It is impossible not to be won over by that smile. If you're interested matching blue bra and knickers, which from the rear was a couple of bits of string covering her bum, white high heel shoes.

### The Story:

I really needed a Friday frolic, but given state of the M1 didnt want to stress myself out by making a booking and then arriving late. As it happened the journey took double my estimate. So, i had a walk in. I met Nadia very slim, Carla who is lovely, but I have seen before, and glamorous Elise. I was very happy with my choice. Elise's favourite word seemed to be naughty, and she was happy to show me how to be naughty. We snogged, deep french kisses and then retreated to lay on the bed. Elise is very talented with her hands, I was hard pretty quickly, the clothes were off. Gentle caresses and strokes, as I kissed her lips, neck, ears, and finally nose. Then for some reason, as she stroked my cock, I had the urge to put one her fingers in my mouth and to suck, then I put a second in my mouth, as she stroke my cock with her other hand. I felt incredibly happy, looking at this beautiful woman as she caressed my cock. So happy, i asked for oral with, she was as good with her mouth as her hands. It was time for the main act, and I asked her to climb on me. What a wonderful sensation, Elise lifting and lowering herself onto me, up and down, back and forth. I came as she cow girl'd me. Then we hugged, kissed, clean up time and then a chat. She was worried she might be boring me as she told me about herself. She wasn't, there is nothing dull about Elise. As a provider of sexual services she is wonderful, and post bonk, it was interesting to learn about you. Elise is Premier league, very good, and very nice, and for a portion of a warm Friday evening she was very naughty! She thanked me for her money after I was dressed. I thought that was a nice touch. Told her, ee all

work for money, and she earned it. Plenty of goodbye kisses. Have a good weekend Elise
