The Story:

Rosie,Rosie,Rosie; what can I say about an overwhelmingly sensational experience.

The massage was firm and great,so was the delightful and charming conversation.However it just got better and better with my first live experience of "Twirking"

Fellas if you have not heard of this google it,then prepare yourself for a full on nude version with Rosie!

Man what a rush as she thrusts her butt about,especially when she reaches the top thrust;you can see her little peach winking at you!I was so tempted to give myself the happy ending whilst watching,but left this to Rosies very capable hands.

I have had a great many of experiences from lap dancing through to belly dancing but this comes out tops.I am still smiling now as I am doing this review;even the maid must have noticed the glow in my face when I left.

Thanks Rosie I will be back for more for sure xx
