The Premises:

Convenient location, not much foot traffic, so discrete. Facilities are basic but comfortable and functional.

The Lady:

Beautiful girl-next-door look. Pretty face, soft but shapely breasts and gorgeous arse are highlights, but she is beautiful all over. I thought she was pretty from her photos, but looked much better in the flesh.

The Story:

A basic girlfriend experience, but that was all I was after. Light french kissing was nice and sweet, though I do prefer it deeper. Sensual touch and great oral skills. She tasted very nice. Was very clean, so I gave her a good licking and she expressed her appreciation, bless her. She is a very polite, considerate lady who treats her clients well. I was well satisfied, thank you, Jolie.
