### The Premises:

Service apartments, perfectly fine. Really hot room though.

### The Lady:

Lucy always makes an effort with her outfits and looked super hot in a short skirt and fishnets, of course she has the most amazing boobs but she's a little cutie too. She has a tongue stud which I was particularly pleased about.

### The Story:

I've stopped posting reviews for a while but wanted to post one for this session as it was so good. I'm getting harder to please these days but Lucy's oral skills were just top notch and her titty-fuck was so good it made me come really hard, and to see Lucy then drain the lot into her mouth was something that will stay in the wank bank for a while.

Totally recommend !
