Stunning. I would say she has a girl next door look. A natural beauty. Pretty face. lovely bum, Great Body. The pictures are Accurate. However they do not her face, She looks angelic.

The Story:

When Alice walked into the room the first thing to strike me was how pretty she was, then how amazing her body was and how soft she was to the touch. She asked me what I like and I replied what do you offer? Now at this point most people go on about how she did this or that. What I would like to say is, the thing I found wonderful was her mind. It is open to new ideas and new experiences with that she gave me a few things to think about ;)She is an amazing person who is more than happy to make your fantasises reality. She is also happy to stuff that I hadn't even dreamt of. Needless to say I will be seeing her again. if you guys are after a wonder filled experience call Milton Keynes Escorts.
