The Lady:

Absolutely amazing Imogen is in her early 20's. she is tall especially in her heels very well dressed in stockings and a suspender belt and black underwear. she is very down to earth and very easily to get along with and has a great warmth about her I have been judging about seeing Imogen for a while as I have always gone to Annabella so I thought I would go for a change I'm glad I did as I had a lot of fun with her.

The Story:

Well where can I start I arrived on time for my appointment and was shown to a really nice decorated room by and wonderful maid. Shortly after I arrived Imogen joined me in the room she had a wonderful smile on her face and greeted me with wonderful soft kissing after we both said hello we sorted out the paper work and got undressed and on to the bed were we did a but more kissing then owo then a bit of 69 wow it was amazing after that we put on the protection and all I can so was amazing sex will definitely see this girl again very soon until next time. Would highly recommend this girl she knows how to please a guy and enjoys having lots of fun maybe next time i will have to try the tie and tease with her I think that will be a lot of fun to have.
