The Premises:

Well known. Feels discrete despite presumably heavy footfall of visitors. Clean and tidy and nice receptionist.

The Lady:

Sky is an amazingly striking black lady with a very attractive face and indeed her whole body, with its stunning boobs and amazing booty included, has the wow factor without excess. Add the pouted lips and the smiling eyes on her entrance and you can see why I felt great anticipation of a fabulous time.

The Story:

Sky stopped smiling for a moment to explain that she doesn't do anal or CIM and I could still see so much that we could do together I wasn't bothered at all.

After introductory kisses, on the bed I explored Sky's wonderful breasts and bum to appreciative noises and then after more kisses with fondles, Sky started to work her magic on my cock. Her oral without technique including intense attention to the tip was terrific while my hands always found nice bits of body within reach and worth fondling.

69 was delightful with appreciative cries from Sky and stifled gurgles of joy from me.

Sex was in kneeling then flat doggy positions and again, Sky's exuberant reactions to my efforts contributed to a brilliant time.

Sky is a great find for me as she has a stunning body and such a positive attitude.
