The Premises:

What was MKEscort's location, famously 'Behind Staples' just a short distance from the train station. Much more discrete than the places in the city center used to be.

Smallish room mostly taken up by a double bed which really is all that's needed, tho the decoration up to the usual HoD standard.

The Lady:

Elise matches her photos very well - tall, well put together with long legs and marvelous full breasts with the most suckable nipples. The pictures really can't convey her gorgeous blue eyes with their full of mischief sparkle.

The Story:

Basically, WOW! Elise came into the room and was straight away snogging me like a long lost lover, no reserved peck on the cheek but full on open mouths and tongues entwining whilst my hands found their way to her lovely breasts. Whilst I could have carried on like this, I had to be a gentleman and let her put my glass of water down and get the finances sorted...

And after that Elise was just a force of sexual nature, lots more DFK whilst getting us both naked followed by a blur of licking, sucking and groping. What a wonderful sight it was watching my cock disappear into her warm and moist mouth... Oh, and it felt pretty amazing too!

For the main course, I was treated to a mind-blowing bout of 69 with Elise grinding her pussy against my lips whilst sucking me which finished, not surprisingly, with me coming in her mouth.

It's been a few years since I last saw Elise, I certainly won't be leaving it so long again.
