Amy is an attractive English girl: medium build, quite tall with dark hair.

The Story:

I was very pleased to meet Amy at last. A combination of my bad luck - choosing wrong days - and Amy not in on some days meant that I have had to wait a long time to see her, but it was well worth the wait !

Amy was sitting just inside when I arrived and I said hello. The maid showed me to the room and brought me a glass of water I had requested.

Amy soon came into the room. We had a little kiss, but not as much as I would have liked, and no real cuddling or touching -the things that I really enjoy to get me aroused. I am quiet and didn't say much until later, so she would not have known what I enjoy most. If I see Amy again I think that we could have a great time together.*

She told me to get on to the bed, and gave me good oral without for quite a while. Then I asked for oral on her..

She took off her knickers and laid on the bed while I licked her pussy. She became very sensitive after a while and asked me to stop, so I think that I was not able to fully satisfy her with a good orgasm. A shame as I always like to give a girl as much pleasure as possible. I was not fully aroused, so finished by cumming on her boobs. She has a lovely body - great to see completely naked!

*I would like to see Amy again sometime, subject to her approval, as I would not want to see anyone against their wishes.

Thank you Amy - a lovely day, and I felt really happy after seeing you. x
