### The Premises:

Flat next to Warren Street station. Spacious room.

### The Lady:

Stunning looking woman - beautiful face, tall , lovely firm figure; great arse.

### The Story:

Sadly, that was the most stimulating part, as the performance was seriously lacking.

Began with no more than a peck on the lips, then on to RO, to which she was unresponsive.

She then offered a BJ, which seemed to be going well until I lifted her hair to discover it was pretty much just a handjob.

Cowgirl followed and was OK. Doggy was difficult because of her height and long legs - she resisted shifting her arse to accomodate me.

Finally mish, when she positioned her legs to prevent full penetration.

Charlotte was perfectly pleasant throughout and very beautiful; but she was an uninspiring shag and I won't repeat.

### Service Provider's Rebuttal
