### The Premises:

Usual place behind Staples, clean tidy

### The Lady:

Slim 20 year old, long black hair amazing eyes...amazing breasts....plenty of pics of her onsite showing her face. She looked incredible, possibly the best looking girl I have seen, definitely the best looking girl I have had sex with!

### The Story:

When I saw Kim's photos online I knew that this was a girl I just had to have. There are times when the girl comes in, and while they are pretty they don't live up to expectation or the photos....this was not the case with Kim, she really is that good looking!! I mean incredible, worth the money just to see her naked let alone the rest!

She came in and I was surprised how tall she was, then I realized how huge her heels were, must have been 8 inches (if only I had something to hand to confirm this...) She was very friendly right from the start, so often the good looking girls are a bit stand offish and lie back close their eyes and think of England/Romania/Poland but Kim was engaging with a fun quirky personality, her English isn't perfect but she still made the effort to chat.

Her bra and panties came off and it was another bonus to see lovely pert breasts in her small frame. Seeing her naked is a sight to behold and my cock sprang into action. Onto the bed with some gentle touching and then some covered oral (which she does so well I didn't notice the cover) while I probed her pussy with my tongue for a few minutes.

She then asked if I wanted to fuck her...I am sure no one has ever said no to her asking that question! So on her knees and her cute, firm round ass was up in the air, with the pussy inviting me in I slide my cock (which was unbelievably hard by now) into her tight pussy. She felt so good! She gave constant encouragement as to how good it felt, and looking down as her face looked round was like a dream (wet) I was fucking a perfect 10! I tried to go bit deep but she stopped me saying I was too big... I wasn't going to disagree with this compliment. I wish I could have lasted forever but

it wasn't to be and I came deep and hard.

We chatted for a while about life, she is a very nice, quirky funny girl. Then I got dressed as she admired her body in the mirror, if I had a body like hers I would admire all day.

A great time, can't wait to see her again!
