The Premises:

Within minutes of booking the address, postcode and easy to follow directions were texted to me. Free parking on a Sunday, don't know about other days of the week.

Shown in and invited to wait for a few moments while Karolina got herself ready.

Perfectly fit for purpose house.

The Lady:

Visually exactly as expected from the photographs on the website. If you are looking for a size 0 stick insect Karolina is not for you.

In person she was very friendly and easy to talk to.

The Story:

I was passing through Milton Keynes for the first time in ages and saw Karolina was there, and remember being told she was special, so decided to ring.

Although I have never met her before, it felt like I was seeing a long term companion for the umpteenth time. Everything was very relaxed and at ease throughout.

A blow by blow account isn't necessary, but she ticked all the right boxes for me!

If you are someone looking to go for a first punt, Karolina would definitely be someone to see.

I was told she was special and I concur.

Thank you Karolina, I will return...
